

Your CRO Partner for Success

YOUR FIRST CHOICE FOR QUALITY, COST-EFFECTIVE DATA DISCREPANCY MANAGEMENT

Who is following up on your data discrepancies? Consistent and clear communication with sites and monitors will keep your studies on track.

During your clinical trial, especially at deadlines, timely receipt of accurate data is your top priority. BMA has over 15 years of data management experience. Our staff will work with sites and monitors to resolve queries quickly.

“ Get the most out of your study and resources by partnering with BMA ”

Our goal is to provide world class support services that keep your projects on time, within budget and compliant to all regulatory authorities.
